Diploma in Executive and Leadership Coaching

14 Day Programme

October 2022 – May 2023

Diploma in Executive and Leadership Coaching

The Coaching and Mentoring Partnership's (TCMP) Diploma in Executive and Leadership Coaching is an intensive 8 month programme designed to give participants the skills and ability to deliver exceptional results for their organisations and coaching clients.

Who is this programme for?

The programme is typically aimed at the following:

- Line managers who want to be able to coach more effectively as part of their leadership role
- Internal HR Directors or OD Consultants/Senior Business Partners who want to use coaching to deliver better performances in their organisations
- Mentors or those changing careers who would like to add executive coaching to their change toolkit
- Aspiring coaches from related professional backgrounds including psychotherapy, social work, education, psychology and health care
- Practicing business consultants who are coaching as part of their consultancy practice and now want to formalise and develop their coaching capability

What will I get from attending this programme?

By participating in the TCMP Executive and Leadership Programme, you will

- Develop a firm understanding of the theory and practice of coaching and relevant coaching models and frameworks
- Have built competency in applying a range of coaching skills to your organisational issues to improve performance
- Have developed a comprehensive databank of techniques and tools to support you in maximising an organisations' performance and getting the most from your employees/clients
- Have increased confidence in your coaching ability
- Continue your own personal journey of development and growth
- Develop relationships with a diverse group of like minded individuals who are interested in the discipline of Coaching and its application to a variety of settings

About TCMP and the Programme Leaders

TCMP

The Coaching and Mentoring Partnership (TCMP) is one of Ireland's leading providers of mentoring and coaching services. TCMP is dedicated to helping organisations grow and develop through creating conditions that can unleash the potential and commitment of employees. TCMP provides a one stop shop for all your coaching and mentoring solutions. We will help your organisation:

- To create a culture of coaching and learning
- To train and develop internal coaches and mentors
- By sourcing and providing highly skilled external coaches / mentors
- By providing ongoing supervision for internal coaches / mentors
- To link these initiatives to other HR frameworks, including talent management, succession planning and other HR practices.

June Duffy, is founder and managing partner of The Coaching and Mentoring Partnership. With a background in organizational psychology, June has spent 25 years in the leadership development arena and has held leadership roles in companies such as BP Oil, ICL (International Computers Limited) and Statoil Ireland. June has also worked as an associate consultant with the Tavistock Institute, London.

For more than 14 years (and through across 21 Programmes), June has trained executives and consultants to be business coaches. June is part of the coaching faculty in many companies in both the public and private companies including the Beaumont Hospital, ESB, Accenture, Microsoft, Deloitte, EY, HSE, Senior Public service.

June has an Honours Degree in Psychology and a Masters in Social and Organisational Psychology from UCD. She has a Masters Degree in Organisational Consultancy from the Tavistock Institute and is a CIPD (Chartered Institute of Personnel Development) Fellow. She is also a member of the Association for Coaching, the Life and Business Coaching Association of Ireland and the Institute of Training and Development.

Corina Grace brings over 25 years' experience as a senior OD consultant, Psychologist, Lecturer and Group Analyst with senior leadership experience. She has a track record in designing and implementing major restructuring and organisational change projects, and has advised and consulted with senior managers on role redesign, performance management and the recruitment, retention and development of high potentials. She has extensive experience in the field of coaching having designed and implemented coaching programmes for managers and senior executives in areas such as Leadership, Managing Change, and Enhancing Performance through Open Dialogue. She is part of ESB's, Accenture, DAA, EY, HSE, St James's Hospital, St Vincent's Hospital Fairview and Beaumont Hospital's coaching academies. Corina has published a book entitled 'Take Charge of Your Career and Find a Job You Really Love!'

Entry to the Programme

While there are no formal requirements for attending the programme, all participants would be expected to have experience of or exposure to managing and leading people. Entry to the programme is based on an in-depth interview with one of the programme leaders. This interview is to ensure that the programme is right for the participant and that the participant will be able to get the maximum learning from the programme.

Accreditation

The TCMP Diploma is accredited by the Association for Coaching – a leading international professional body for Coaches, Training/Coaching Providers. The AC is an independent non-profit organisation with the goal to promote best practice, raise awareness and standards across the Coaching industry.

The requirements for achieving these accreditations will be explained to participants as part of the interview process

Number of participants

The number of participants will be limited to a maximum of 16 per programme.

Course Fees: €4,950

Price includes

- All course training and participants training material
- Main textbooks
- Telephone support
- Ongoing feedback to participants

A deposit of €1,950 is required to reserve your place on the programme. The balance of payment is due before the programme commences.

You are also required to take some supervision when on the programme. These costs are not included in the above fees.
